Eleven-year-old Jack's ordinary life is upended when mysterious creatures attack his hometown and he is whisked into a fantastical adventure filled with danger at every turn.

Jack learns that most live in a shadow of the world, their vision blinded by invisible scales that have covered human eyes since the beginning of time. But the Awakened experience the world as it truly is, where war rages between good and evil—and Jack is at the heart of it. The Awakened are searching for The Child of Prophecy who will both save the world and destroy it. When Jack joins in their epic battle he must learn to trust his friends and face his fears if he is to make his life count.
