## Walther Hymnal: Church Hymnbook for Evangelical Lutheran Congregations of the Unaltered Augsburg Confession Matthew Carver

Walther's Hymnal: Church Hymnbook is the first of its kind: an English translation of the first official hymnal of The Lutheran Church-Missouri Synod. This was the hymnal that C.F.W. Walther edited and used, and that provided Christians throughout the LCMS a common experience during the Church's early years in America, in the same way that Lutheran Service Book provides a common experience for us today. Now presented for the first time in English, this is an invaluable resource for history enthusiasts, church musicians, and anyone who wants insight into how our grandfathers sang and prayed. This is a chance to share in that song and prayer of the saints gone before us.
