Any marriage or long-term relationship can be vulnerable to an affair. In *You Can't Have Him-He's Mine*, Dr. Marie Browne and Marlene Browne, Esq., outline ways you can protect your relationship-using the techniques and strategies of the homewreckers themselves. This psychotherapist and family law attorney team up to show you:

- What goes on in the other woman's head to make her go after your spoken-for man
- What makes your husband or boyfriend susceptible to her advances
- What you can do to stop her

In each chapter, you'll find proven mate-guarding tactics designed to ward off the would-be other woman. Using the authors' tried-and-true methods, you will become expert at assessing your mate as well as the quality of your relationship and home life for "infidelity vulnerability." Further, you will learn which of your own actions and attitudes may have made your man's affair all but inevitable.
