## **America's Queen: The Life of Jacqueline Kennedy Onassis** Sarah Bradford

Acclaimed biographer Sarah Bradford explores the life of Jacqueline Kennedy Onassis, the woman who has captivated the public for more than five decades, in a definitive portrait that is both sympathetic and frank. With an extraordinary range of candid interviews—many with people who have never spoken in such depth on record before—Bradford offers new insights into the woman behind the public persona. She creates a coherent picture out of Jackie's tumultuous and cosmopolitan life—from the aristocratic milieu of Newport and East Hampton to the Greek isles, from political Washington to New York's publishing community. She probes Jackie's privileged upbringing, her highly public marriages, and her roles as mother and respected editor, and includes rare photos from private collections to create the most complete account yet written of this legendary life.
