Where Vacations Become Adventures! Each book in the Hidden series first reviews a destination's famed attractions. Then it invites the reader to go further by exploring "hidden" spots other guides overlook and by diving into outdoor activities enjoyed by today's active travelers. Targeting small inns and local restaurants while focusing on authentic settings and local culture, these guides offer a unique travel experience.-- New and improved maps that "zoom in" on each area and lead the traveler along the described route-- New features including checklists of author favorites, weekend itineraries, and walking tours-- "Hidden" spots -- loved by the local but missed by most visitors -- prominently marked in the margin-- Detailed descriptions of beaches, parks, and outdoor activities that take the reader beyond the sightseeing circuit to hike, bike, swim, snorkel, and camp-- Redesigned front and back covers that are more dynamic, more colorful, and easier to read-- Expanded internet information that includes email and Web site addresses for every listing-- Showcases the author's favorite places to sleep, eat, swim, and simply relax-- A virtual beach guide with reviews of 64 stretches of sand -- many still "hidden"-- Includes a driving tour that leads away from the tourist areas and into the heart of central Maui
