Manos Prodigiosas (Spanish Edition)

Ben Carson M.D.

Manos Prodigiosas (Spanish Edition) Ben Carson M.D.

Manos prodigiosas por y acerca de Ben Carson, Doctor en Medicina, es el relato inspirador de un chiquillo de un barrio difícil, con bajas calificaciones y poca motivación, que a los treinta y tres años llegó a ser director de neurocirugía pediátrica del Hospital de la Universidad John Hopkins. Manos prodigiosas lo trasladará a la sala de operaciones para presenciar cirugías que aparecieron en los titulares por todo el mundo, y a la mente privada del médico compasivo y temeroso de Dios que vive para ayudar a otros. En 1987, el Dr. Carson obtuvo un reconocimiento mundial por su participación en la primera separación exitosa de siameses unidos por la parte trasera de su cabeza; una operación en extremo compleja y delicada que llevó cinco meses de planificación y veintidós horas de cirugía, incluyendo un plan quirúrgico que Carson ayudó a iniciar. Manos prodigiosas revela a un hombre humilde, decente, compasivo, valeroso y sensible que sirve como modelo ejemplar para los jóvenes (y todos los demás) que necesitan estímulo para intentar lo que parece imposible y sobresalir en lo que sea que intenten. El Dr. Carson también describe el papel clave que su madre, de gran inteligencia aunque relativamente sin mayor educación, desempeñó en su metamorfosis de un adolescente de gueto y sin motivación a uno de los neurocirujanos más respetados del mundo
