Negotiation Generation: Take Back Your Parental Authority Without Punishment Lynne Reeves Griffin

The classic power struggle between parents and children- demystified.

Nationally recognized behavior management expert Lynne Reeves Griffin offers a commonsense yet radical approach to parenting that will enable adults to win the tug-of-war with their children about what is, and isn't, acceptable behavior.

This proactive plan provides parents with the tools to reclaim their authority, establish boundaries, and cease negotiation tactics such as rewards and punishments, based on the specific ages and temperaments of each child. Featuring anecdotes from more than 20 years of parental consulting, the author reveals the real struggles parents face in raising today's children.
