Princess Victoria is tired of everyone telling her what to do—what to study, how to act, and to sit up straight! Finally, she's had enough. She runs away from the palace to play with the village kids. The princess is in for a BIG surprise when she learns how the kids really spend their time. Readers will learn the importance of behaving like a true child of the King of kings! The Seasons of Faith illustrated books encourage children to learn about their faith in God. Based on CBH Ministries' treasure trove of radio scripts, these stories teach core truths of the Bible so that kids can easily apply them to their lives. Each book focuses on a season of faith-developing topics. Spring: This is a time when people experience new life in Christ. Faith develops and Christians begin to share the Salvation message with others.
