Be amazed by the real-life size of the world's largest spider; discover which animal can jump the equivalent of a human leaping over a skyscraper; measure the length of a blue whale in buses, people, and basketball courts; and more!

From the animal classification system and DNA to reproduction, food webs, and the world's fastest animals, this book explores the natural world using a wide variety of icons, graphics, and pictograms.

Highly visual and accessible, infographics are an increasingly popular way to introduce complex stats, facts, and figures to children, helping them to digest complex information on a number of topics.
