**ALERT:** Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

## Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

## Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

## Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

***It's not about them, it's about all of us.***

With a focus on critical thinking, Oltmanns and Emery prepare students for the DSM-V and beyond by addressing key issues and concepts that will remain, even as diagnostic criteria change.

In *Abnormal Psychology, 7<sup>th</sup> edition* Oltmanns and Emery bring both the science and personal aspects of abnormal psychology to life with a focus on evidence-based practice and emerging research. The authors emphasize that abnormal psychology is not about "them," it's about all of us. Using extensive case studies, they present the most cutting edge information on abnormal psychology by covering methods and treatment in context. Organized around the way students learn, this ground breaking text integrates the biological, psychological, and social perspectives in one concurrent story.

## **Teaching & Learning Experience**

- *Personalize Learning* – The new MyPsychLab delivers proven results in helping students succeed, provides engaging experiences that personalize learning, and comes from a trusted partner with educational expertise and a deep commitment to helping students and instructors achieve their goals.
