Cluster #1 Ed Brisson

WHY BOOM! LOVES IT: Ed Brisson (*Sheltered*) is one of comics' best new voices and we could not wait to work with him on an original series following his run on *Sons of Anarchy*. After hearing his pitch for a gritty, violent, sci-fi epic in the vein of *The Dirty Dozen*, we knew there was no one better to bring the criminal cast of characters to life than the other half of the *Sons of Anarchy* team and Ed's *Murder Book* collaborator, Damian Couceiro.

WHY YOU'LL LOVE IT: Cluster is a series for fans of old-school, hard-boiled action. Brisson and Couceiro know how to tell stories about rich characters with criminal backgrounds, and the off-world setting allows them to tell personal stories with a massive scope. Have you ever wondered what a book starring all those lowlifes in the gutters of sci-fi havens like Mos Eisley would look like? Then we have the book for you.

WHAT IT'S ABOUT: In the distant future, as mankind discovers life on other planets, it needs soldiers to defend its colonies and outposts across the stars. In order to increase the number of boots on the ground, criminals are offered the opportunity to serve in the place of incarceration. But as wars wage on and more soldiers are needed, small-time crimes are given long-term punishments. When a group of prisoners serving their time as soldiers become stranded and abandoned on a war-torn planet, they'll need to work together to survive and uncover the truth behind Earth's role in deep space.

From reader reviews:

Michael Canton:

The book Cluster #1 can give more knowledge and also the precise product information about everything you want. So just why must we leave the great thing like a book Cluster #1? Wide variety you have a different opinion about publication. But one aim in which book can give many information for us. It is absolutely suitable. Right now, try to closer together with your book. Knowledge or facts that you take for that, it is possible to give for each other; it is possible to share all of these. Book Cluster #1 has simple shape but the truth is know: it has great and massive function for you. You can look the enormous world by open up and read a publication. So it is very wonderful.

Bruce Jackson:

Reading a publication can be one of a lot of pastime that everyone in the world likes. Do you like reading book and so. There are a lot of reasons why people love it. First reading a guide will give you a lot of new info. When you read a publication you will get new information because book is one of a number of ways to share the information as well as their idea. Second, looking at a book will make anyone more imaginative. When you examining a book especially fictional works book the author will bring you to imagine the story how the figures do it anything. Third, you may share your knowledge to some others. When you read this Cluster #1, you could tell your family, friends as well as soon about yours publication. Your knowledge can inspire average, make them reading a reserve.

Ronald Peyton:

This Cluster #1 is great publication for you because the content that is certainly full of information for you who else always deal with world and have to make decision every minute. This kind of book reveal it facts accurately using great plan word or we can state no rambling sentences within it. So if you are read the idea hurriedly you can have whole information in it. Doesn't mean it only provides you with straight forward sentences but tough core information with attractive delivering sentences. Having Cluster #1 in your hand like keeping the world in your arm, info in it is not ridiculous just one. We can say that no e-book that offer you world with ten or fifteen moment right but this book already do that. So , it is good reading book. Hello Mr. and Mrs. stressful do you still doubt that will?

Frances McKay:

Do you like reading a e-book? Confuse to looking for your best book? Or your book ended up being rare? Why so many question for the book? But just about any people feel that they enjoy for reading. Some people likes studying, not only science book but novel and Cluster #1 or even others sources were given understanding for you. After you know how the truly amazing a book, you feel need to read more and more. Science guide was created for teacher as well as students especially. Those guides are helping them to bring their knowledge. In other case, beside science reserve, any other book like Cluster #1 to make your spare time considerably more colorful. Many types of book like this.
