## Essentials of Strategic Management: The Quest for Competitive Advantage Gamble

*Essentials of Strategic Management* presents a conceptually strong treatment of strategic management principles and analytic approaches that features straight-to-the-point discussions, timely examples, and a writing style that captures the interest of students. The Fourth Edition of *Essentials of Strategic Management* is very much in step with the best academic thinking and contemporary management practice. The chapter content continues to be solidly main-stream and balanced, mirroring *both* the penetrating insight of academic thought and the pragmatism of real-world strategic management. The text serves as the theoretical foundation of a teaching approach incorporating a business strategy simulation.
