**Exodus (Brazos Theological Commentary on the Bible)** Thomas Joseph OP White

Exodus recounts the origins of ancient Israel, but it is also a book of religious symbols. How should it be interpreted, especially in light of modern historical-critical study? In this addition to an acclaimed series, a respected scholar offers a theological reading of Exodus that highlights Aquinas's interpretations of the text. As with other volumes in the series, this commentary is ideal for those called to ministry, serving as a rich resource for preachers, teachers, students, and study groups.
