Football Genius (Football Genius series Book 1) Tim Green

Bestselling author and former NFL player Tim Green scores a touchdown with this exhilarating novel, his first for young readers. *Football Genius* is an action-packed adventure with gripping suspense, a hero you can really root for, and an insider's look at the world of professional football.

Troy White has a phenomenal gift. He can predict football plays before they happen. Any position. Any player. Any team.

When Troy's single mom gets a job working in public relations for the Atlanta Falcons, Troy figures it's his chance to prove what he can do. But first he has to *get* to the Falcons—and with tight security and a notoriously mean coach, even his mom's field passes aren't much help.

Then Troy and his best friends devise a plan to get the attention of star linebacker Seth Halloway. With Seth's playing and Troy's genius, the Falcons could be unstoppable—if they'll only listen.
