## **MPD Psycho Volume 1: v. 1** Eiji Otsuka

MPD-Psycho, the most-requested manga series in recently memory, has found a fitting home at Dark Horse Manga, where it will be presented uncut and uncensored in all of its controversial and unflinchingly grotesque glory! If Takashi Miike's MPD-Psycho television series still has you confused and reeling, the original manga series that inspired the show is sure to take you on a longer, darker journey into madness. Enjoy the 11-volume MPD-Psycho series for all of its absurd twists, sci-fi touches and inventive torture scenes, but you'll also be mesmerized by the plethora of odd conspiracies and case files found in Otsuka and Tajima's uncontrollable, urban horrorshow. In MPD-Psycho Volume 1, police detective Kobayashi Yousuke's life is changed forever after a serial killer notices something "special" about him. That same killer mutilates Kobayashi's wife and kick-starts a "multiple personality battle" within Kobayashi that pushes him into a complex tempest of interconnected deviants and evil forces. Earning praise for its consistently shocking plotlines and Tajima's clean, arresting art style, MPD-Psycho is the manga event of the decade!
