The Game and the Governess Kate Noble

Trading Places meets *Pride and Prejudice* in this sexy, saucy romance—first in a new series from the author of YouTube sensation *The Lizzie Bennet Diaries*.

Three friends. One Wager. Winner takes all.

The Earl—‘Lucky Ned’ Ashby. Pompous, preening, certain that he is beloved by everyone.

The Miller—John Turner. Proud, forced to work as the Earl’s secretary, their relationship growing ever more strained.

The Doctor—Rhys Gray. Practical, peace-loving, but caught in the middle of two warring friends.

Their wager is simple: By trading places with John Turner and convincing someone to fall in love with him, Ned plans to prove it’s him the world adores, not his money. Turner plans to prove him wrong.

But no one planned on Phoebe Baker, the unassuming governess who would fall into their trap, and turn everything on its head...

Three best friends make a life-changing bet in the first book in a witty, sexy new Regency trilogy from acclaimed author Kate Noble, writer of the wildly popular Emmy award-winning web series *The Lizzie Bennet Diaries*.

From reader reviews:

Arthur Elsberry:

Reading a guide can be one of a lot of task that everyone in the world likes. Do you like reading book and so. There are a lot of reasons why people like it. First reading a publication will give you a lot of new details. When you read a publication you will get new information since book is one of numerous ways to share the information or perhaps their idea. Second, reading through a book will make an individual more imaginative. When you reading a book especially tale fantasy book the author will bring someone to imagine the story how the characters do it anything. Third, you can share your knowledge to other people. When you read this The Game and the Governess, you could tells your family, friends and also soon about yours book. Your knowledge can inspire others, make them reading a reserve.

Roderick Donnell:

Your reading 6th sense will not betray an individual, why because this The Game and the Governess guide written by well-known writer whose to say well how to make book which might be understand by anyone who read the book. Written throughout good manner for you, leaking every ideas and publishing skill only for eliminate your own personal hunger then you still question The Game and the Governess as good book not merely by the cover but also by the content. This is one book that can break don't judge book by its protect, so do you still needing a different sixth sense to pick that!? Oh come on your reading through sixth sense already alerted you so why you have to listening to yet another sixth sense.

Gary Kruse:

You can spend your free time to learn this book this guide. This The Game and the Governess is simple to bring you can read it in the playground, in the beach, train as well as soon. If you did not have much space to bring typically the printed book, you can buy the particular e-book. It is make you much easier to read it. You can save the book in your smart phone. Therefore there are a lot of benefits that you will get when one buys this book.

Doug Herring:

Is it you actually who having spare time then spend it whole day by simply watching television programs or just telling lies on the bed? Do you need something totally new? This The Game and the Governess can be the response, oh how comes? A book you know. You are therefore out of date, spending your time by reading in this completely new era is common not a nerd activity. So what these publications have than the others?
