Discover your hidden brainpower with this newly expanded guide to the simple but powerful technique that unlocks potential in all areas of your life.

Former banker and CEO Bill Donius drove his bank's eightfold growth over twelve years. And the surprising secret to his success is something we all have access to, right in our own two hands. The methodology described in *Thought Revolution* is simple and revolutionary—so simple, it begins by moving your pen from one hand to the other. Whether you're right-handed or left-handed, a whole world of change is possible. Writing with your non-dominant hand opens you up to creative solutions, giving you the ability to see new ways through problems in your business, career, relationships, health, and spiritual life.

In *Thought Revolution*, Donius explains the science behind non-dominant handwriting and teaches you how to incorporate the technique into your business and your life. New stories from Donius's extensive seminars illuminate how employees and managers can unite in a new vision for their company's growth and culture, increase employee and customer satisfaction, and improve profits. Thought-provoking, easy-to-do exercises and prompts show how to connect more fully with your subconscious right brain to help you reduce stress, discover your hidden talents, heal from trauma, and come to a deeper spiritual awareness.

Thought Revolution shows how your non-dominant hand serves as a direct pipeline to the right brain's wisdom. Incorporate this simple practice into your career and your life, and you'll find insights that lead to lasting change.
