## Trace of Doubt (A Billie Quinn Case) Erica Orloff

Criminalist Billie Quinn lived and breathed the evidence. People lied. But DNA never let her down. Or could it?

For the case that put her fight for justice in the media spotlight also brought her to a killer's attention. A very special killer — one who claimed to know the truth about her mother's disappearance many years ago. And who was now determined to show Billie exactly what happened...in a reenactment starring Billie herself.

It was up to her to choose — learn the truth and die, or bring this killer to justice and never know her mother's fate.
