**Ballots For Freedom: Antislavery Politics in the United States, 1837-1860** Richard H. Sewell

**“If one wishes to read only a single book on antislavery politics before the Civil War, this is the book to read.” J.M. McPherson, *Political Science Quarterly***

At first a voice in the wilderness, then the rallying cry of a new morality, abolitionism became the springboard to power of a major national party. *Ballots for Freedom* recapitulates the political war against slavery, from the first debates over the creation of an abolitionist third party to the election of Abraham Lincoln on an essentially antislavery Republican platform.
