Matthew Costello, Neil Richards

Cherringham - Murder by Moonlight: A Cosy Crime Series Matthew Costello, Neil Richards

Just two weeks to go before the Cherringham Charity Christmas Concert. Choir rehearsals are in full swing. Then the worst thing happens: Kirsty Kimball, one of the singers, is found dead from a severe allergic reaction to one of the home-made rehearsal cakes. Jack is pulled in to help bolster the depleted choir - and soon he's convinced that Kirsty's death was no accident. Sarah agrees, and the two of them are soon immersed in the jealousies, rivalries, and passions of Cherringham's Rotary Club choir ...

-- Cherringham is a serial novel à la Charles Dickens, with a new mystery thriller released each month. Set in the sleepy English village of Cherringham, the detective series brings together an unlikely sleuthing duo: English web designer Sarah and American ex-cop Jack. Thrilling and deadly - but with a spot of tea - it's like Rosamunde Pilcher meets Inspector Barnaby. Each of the 12 self-contained episodes is a quick read for the morning commute, while waiting for the doctor, or when curling up with a hot cuppa.

-- For fans of Agatha Christie's Miss Marple series, Lilian Jackson Braun's The Cat Who series, Caroline Graham's Midsomer Murders, and the American TV series Murder She Wrote, starring Angela Lansbury.

-- Co-authors Neil Richards (based in the UK) and Matthew Costello (based in the US), are known for their script work on major computer games. The Cherringham crime series is their first fictional transatlantic collaboration.
