Perhaps the most famous magical Order of all time is the Hermetic Order of the Golden Dawn. Now you can partake of their magic and mystery every time you use Sandra Tabatha Cicero and Chic Cicero's Golden Dawn Magical Tarot.

Included in the protective slipcase is a box with the complete deck of seventy-nine cards (there is an extra one, as described in the Order's documents) and a 192-page book the same size as the deck. This makes it convenient to carry in a pouch or purse.

The deck is unlike any other deck available! It uses the magical flashing colors of the Golden Dawn as well as the color scales of the four worlds to add to the beauty and power of the images. Many of the images will be familiar while others will surprise you with their depth and symbolism. This was the secret deck used by A.E. Waite, Aleister Crowley, William Butler Yeats, and Israel Regardie. And now, you too can use it for divination and magic!

You are going to love the accompanying book, too! It has a complete introduction to the Qabalah, so you can access the deepest recesses of the cards' symbolism. Then it describes the meaning of each card and how to interpret them in a reading. The book goes on to reveal several Tarot card spreads, including the complete Golden Dawn system. Also included are several rituals ó including ones for protection, divination, and for consecrating your deck. Even the secrets of using the deck for astral projection are here. This is a deck you must have.
