Jesse Jackson: A Biography (Greenwood Biographies) Roger A. Bruns

Jesse Jackson, a powerful orator and indefatigable organizer, has been one of the most dynamic forces for social and political action in both the national and international arenas, campaigning for human rights and social justice. Through such social action projects as Operation Breadbasket, Operation PUSH, and the Rainbow Coalition, as well as his own candidacy for the Democratic nomination for president in 1984 and 1988, Jackson became a worldwide spokesman for the minorities, marginalized, and poor. This biography traces his rise from his single-parent upbringing in Greenville, South Carolina, through his civil rights work with Martin Luther King Jr., to social and political leadership, audacious international diplomacy, and continued efforts to keep hope alive. It also covers his personal struggles and family life and includes commentary from those who have known him over the years.
