## **My First Airplane Ride** Patricia Hubbell

A first airplane ride can be very exciting! Watching planes take off and land, going through security, walking the jet way, finding the right seat, watching out the window as the plane taxis down the runway, and flying up high in the sky and then, at the other end, Grandma waiting with a hug! Nancy Speir's acrylic illustrations deftly interpret the wonder and joy of a child's first plane-trip adventure.
