The fast and easy way to take your singing skills to new heights

Some people are born with a naturally great singing voice, but even the best singers can benefit from a broader range of knowledge and training. Voice training not only expands your technique and power, but enhances your performance abilities in business and on stage. *Singing Exercises For Dummies* gives you a trusted, easy way to learn, or improve, your singing.

Packed with exercises and drills in the book and on the accompanying CD, *Singing Exercises For Dummies* helps you strengthen your voice; refine technique; develop consistency, build power and endurance; and increase vocal range. Beginning with warm-up and proper posture then logically transitioning to scales, chords, and arpeggios, *Singing Exercises For Dummies* contains everything you need to develop and sharpen your singing skills.

- Exercises and drills on the CD help you practice your skills
- Covers everything from building power and endurance to singing pitch-perfect arpeggios

Whether you're relatively new to singing, have had ongoing instruction, or are looking to break into the music industry, *Singing Exercises For Dummies* has you covered.
