Something to Take My Place: The Art of Lonnie Holley Bernard Herman

Lonnie Holley (born 1950), acclaimed by *The New York Times* as “the Insider’s Outsider,” is best known for his assemblage sculptures incorporating natural and man-made materials, often cast off or discarded; he has recently also begun to make music, through the Dust-to-Digital label. Legendary for his environmental assemblage that spread over two acres of his property in Birmingham, Alabama?now destroyed?Holley scavenges and repurposes found objects in the service of a personal philosophy of renewal and rejuvenation. This is the first monograph on Holley’s work in more than a decade. Illustrated with reproductions of more than 70 of Holley’s sculptures, it provides a comprehensive overview of Holley’s art, life and philosophy, with essays by Mark Sloan, Leslie Umberger, Bernard L. Herman and an “as-told-to” autobiography recorded by noted oral historian Theodore Rosengarten.

From reader reviews:

Daniele Chambers:

Reading a e-book tends to be new life style in this particular era globalization. With reading you can get a lot of information that will give you benefit in your life. Along with book everyone in this world can share their idea. Publications can also inspire a lot of people. Many author can inspire their own reader with their story or their experience. Not only the storyline that share in the guides. But also they write about advantage about something that you need case in point. How to get the good score toefl, or how to teach your children, there are many kinds of book that exist now. The authors on earth always try to improve their skill in writing, they also doing some study before they write to the book. One of them is this Something to Take My Place: The Art of Lonnie Holley.

Ralph Dell:

Playing with family in a park, coming to see the water world or hanging out with friends is thing that usually you may have done when you have spare time, after that why you don't try issue that really opposite from that. Just one activity that make you not sensation tired but still relaxing, trilling like on roller coaster you have been ride on and with addition associated with. Even you love Something to Take My Place: The Art of Lonnie Holley, you could enjoy both. It is good combination right, you still wish to miss it? What kind of hang type is it? Oh come on its mind hangout folks. What? Still don't understand it, oh come on its named reading friends.

Henry Buford:

Is it a person who having spare time subsequently spend it whole day through watching television programs or just lying on the bed? Do you need something totally new? This Something to Take My Place: The Art of Lonnie Holley can be the answer, oh how comes? A book you know. You are thus out of date, spending your extra time by reading in this fresh era is common not a geek activity. So what these textbooks have than the others?

Michael Grammer:

What is your hobby? Have you heard that will question when you got students? We believe that that question was given by teacher on their students. Many kinds of hobby, Every person has different hobby. And you know that little person including reading or as studying become their hobby. You need to understand that reading is very important as well as book as to be the factor. Book is important thing to add you knowledge, except your teacher or lecturer. You find good news or update concerning something by book. Different categories of books that can you choose to use be your object. One of them is niagra Something to Take My Place: The Art of Lonnie Holley.
