Since the mid-1990s, Tim Mosley—better known as Timbaland—has been one of the most in-demand and critically respected producers in the music industry. His credits include numerous hits in hip-hop, as well as dance, R&B, pop, and rock. But that isn't the only contribution Timbaland has made to the music scene. In 2006, he became the CEO of his own record label, Mosley Music Group. Open to all kinds of acts, the label is part of, and distributed by, Interscope Records. Mosley Music Group has released several star-studded albums. The label has given new creative outlets to experienced artists like Nelly Furtado and Chris Cornell, and helped launch the careers of artists like OneRepublic, Keri Hilson, D.O.E., and MC Hayes. This book profiles all of Mosley Music Group's past and present artists and their releases, as well as the fascinating story of Timbaland's long and influential career.
