## A Short History of Germany Mary Platt Parmele

It is more important to comprehend the forces which have created a great nation, and the progressive steps by which it has unfolded, than to know the multitudinous events and incidents which have attended such unfolding.

In order to forestall criticism for the absence of some events in this History of Germany the author desires to say, that there has been an effort to keep strictly to the main line of development and to resist the temptation of introducing details which do not bear directly upon such line.

Nisyros Publishers has a proud history of publishing high quality and rare titles.
