## Heart Block Melissa Brayden

Happily ever after is easier said than done....

Sarah Matamoros can't complain. After immigrating from Mexico when she was nine years old, she's content with the life she's made for herself in sunny San Diego. She works hard at her mother's housecleaning service by day and spends the evenings with her quirky eight-year-old daughter, Grace.

From a very young age, Emory Owen had several concepts drilled into her head. Success is everything. Be the best. Fight your way to the top. Expectations were high in the Owen household and the world was watching. Born into a high society family, Emory never wanted for anything...at least anything money could buy. When she meets Sarah, hired to sort her mother's home, her sterile life suddenly sparks into color.

But when the emotional logistics of combining two very different worlds proves to be too much, a terrifying turn of events spurs the question: If love exists, can it really find a way?
