For centuries, man has studied the ancient art of war before heading into battle--obsessively planning, strategically theorizing, and meticulously executing. If only he did that before trying to pick up women.

Just as they turn to Sun Tzu's honored text for military guidance, they can sharpen their dating skills by adapting the good general's advice. But since every guy hitting the bar on Saturday night isn't a seasoned warrior, this book has done the heavy lifting. By dissecting Sun Tzu's original text, extracting his core wisdom, and applying it to picking up women, this book teaches you how to win the battle of the sexes.

A woman might not be an enemy to conquer--but she is a prize to win over.
