**Aramaic Light on the Gospels of Mark and Luke** Rocco A. Errico, George M. Lamsa

This book, like its predecessor *Aramaic Light on the Gospel of Matthew*, carries you back almost two thousand years, providing a clear perspective of Jesus in the light of his own language, people and times. However, this volume is unique in that it provides insight into the psychology of Jesus' healing methods. This inimitable commentary acts as a Near Eastern guide, taking you through the heart of the gospels, illuminating difficult and puzzling passages and offering unparalleled insight into the character and behavior of Near Eastern Semites. Dr. Errico has not only edited, expanded and annotated Dr. Lamsa's commentaries, *Gospel Light* and *More Light on the Gospels*, he has also added information derived from his continual research in Aramaic word meanings and Near Eastern Semitic studies and completed unpublished material that the two of them had only outlined just before Dr. Lamsa died in 1975.
