Hunter & Prey (Volume 1) Kira Barker

Penelope Thompson loves her life. She has everything she wants. With her beauty, charm, and intelligence, she is at the top of her game and is one of the most sought after escorts in the city. She chooses her clients carefully and provides them with much more than just a great time between the sheets. Yet now at the age of 33, she is questioning just how much longer she has in the business. Life might be great, but sometimes it gets lonely to only ever be what others want to see in her, trading sex for true intimacy. Darren Hunter has made a killing by being one of the best lawyers in Chicago. Renowned for winning any case, he has built up quite the reputation. He has a new beautiful woman attached to his arm every few months and is what every guy desires to be: wealthy, smart, successful, and has the looks to go with all that. When it is time for Darren to choose his new "flavor of the season," Penelope catches his eye. As things heat up between them, Penelope starts to feel as if life is turning into a fairy tale—if not for the fact that, one by one, people are warning her about her Prince Charming, and evidence is mounting up that the elusive Mr. Hunter has his own skeletons in the closet. Will his past come to catch up with her? And why do all the women in his life suddenly disappear?

From reader reviews:

Shawn Farr:

In this 21st century, people become competitive in every single way. By being competitive today, people have to do something to make all of them survive, being in the middle of the crowded place and notice simply by surrounding. One thing that often many people have underestimated the item for a while is reading. That's why, by reading a book your ability to survive improves then having a chance to remain that other is high. For yourself who want to start reading a book, we give you that Hunter & Prey (Volume 1) book as a basic and daily reading book. Why, because this book is usually more than just a book.

Thomas Tritt:

Nowadays reading books become more than want or need but also become a life style. This reading routine gives you a lot of advantages. The huge benefits you get of course the knowledge the actual information inside the book that improves your knowledge and information. The knowledge you get based on what kind of reserve you read, if you want have more knowledge just go with training books but if you want sense happy read one along with theme for entertaining for instance comic or novel. Often the Hunter & Prey (Volume 1) is kind of reserve which is giving the reader an erratic experience.

Catherine Stoltenberg:

The book Hunter & Prey (Volume 1) has a lot of info on it. So when you read this book you can get a lot of gain. The book was published by the very famous author. The author makes some research ahead of writing this book. That book very easy to read you can get the point easily after reading this book.

Andre Barrett:

As we know that book is an important thing to add our information for everything. By a guide we can know everything we really wish for. A book is a pair of written, printed, illustrated or even blank sheet. Every year has been exactly added. This reserve Hunter & Prey (Volume 1) was filled about science. Spend your extra time to add your knowledge about your scientific research competence. Some people have several feelings when they read a book. If you know how big good thing about a book, you can truly feel enjoy to read a e-book. In the modern era like now, many ways to get book that you wanted.
