## Morning by Morning: The Devotions of Charles Spurgeon Jim Reimann

Charles Haddon Spurgeon was known as the Prince of Preachers, stirring audiences from his London pulpit from 1854 to 1892. Millions more who never heard him preach read his weekly sermons. Morning by Morning, one of Spurgeon's best known classic devotionals, has now been updated in today's language with contemporary application commentary. Look Unto Me represents some of Spurgeon's most powerful devotions, with added Scripture references and quotes in the NIV, and contemporary commentary and insight by Jim Reimann, editor of the bestselling updated editions of Streams in the Desert and My Utmost for His Highest. This edition also includes these new features: • Scripture quotes referenced in the context of each devotion • Scripture and subject index • Hymn quotes referenced with composer names and dates. With fresh, contemporary wording and precise NIV text, the timeless message of the original devotions flows unhindered through these pages, lending guidance and hope to a new generation of believers. It is a rich spiritual resource for every Christian who longs for a deeper walk with Christ and a fuller understanding of the Christian faith. With Scripture references from literally every book of the Bible, it makes a great tool to help believers dig more deeply into God's Word.
