Finding the Light that Defeats Darkness

When 21-year-old Ravi's twin brother Vik is captured by the Mine Master's men and taken to work in the coal mines which are also polluting the air in his town, he seeks help from the old legends of Raam. There, he learns about the secret of the Heart of the Sun which is said to defeat all enemies.

L Ravi embarks on a journey to find this light, which takes him deep into the forest, the dark mines, and his own heart. Guided by the lovely Verda of the Forest People, he discovers a powerful elixir, made of sap and sunlight, which holds the key to freedom for his brother, his town, and his own life.

The Elixir of Freedom is a mythic tale that suggests a path to real freedom for all of us.

The Elixir of Freedom is in the new category of Visionary Fiction, which uses story to paint a vision of a better future. The journey of the novel's heroes mirrors our own quest to find real solutions to doubt, fear, bad habits, and even the pressure of time. **The Elixir of Freedom** depicts a powerful experience of light that transforms the characters and their world. Like other Visionary Fiction books, such as **The Chronicles of Narnia**, **A Wrinkle in Time**, **Jonathan Livingston Seagull**, **The Celestine Prophecy**, and **The Alchemist**, it reflects universal human values that stretch us and connect us to something more!
