## **Campus Cravings: Vol 9** Carol Lynne

Professor Sandwich Love is a give and take, whether shared by two men or three. After the devastating loss of his parents, Rusty Bonham feels like he is floating through life without an anchor. The problem, he discovers, is the anchor he wants is already tied to another man, an equally hot professor. Professors Adam Ryan and Manuel Corto Delgado believed they had the perfect life, but everything changed the day Rusty walked into Adam's classroom and sat in the front row. Four years later, Adam and Manuel still want Rusty, but it wasn't until Rusty fell victim to an attack that they decided to do something about it. Inviting Rusty into their bed and lives turned out to be the easy part, but when Rusty reveals a secret, they discover the challenge will be keeping him there. **Big Man on Campus** What happens when the man you think you want isn't the man you need? After his high school sweetheart breaks up with him, Benny Allenbrand arrives at college intent on winning back Chase. Unfortunately, Chase isn't speaking to him, forcing Benny to seek comfort elsewhere. **Jamie Whitmore** is the son of a conservative senator from Connecticut, and on his own after coming out to his father. His life is messy enough without falling in lust with a six-foot-seven football player who happens to be in love with another man. What starts out as a purely physical relationship between Benny and Jamie soon has both men embroiled in political controversy. Will the media coverage tear them apart or bring them together? **Reader Advisory:** This book contains some racist language.
