*Light of the Diddicoy* is the riveting and immersive saga of Irish gangs on the Brooklyn waterfront in the early part of the 20th century, told through the eyes of young newcomer Liam Garrity. Forced at age 14 to travel alone to America after money grew scarce in Ireland, Garrity stumbles directly into the hard-knock streets of the Irish-run waterfront and falls in with a Bridge District gang called the White Hand. Through a series of increasingly tense and brutal scenes, he has no choice but to use any means necessary to survive and carve out his place in a no-holds-barred community living outside the law. The book is the first of Irish-American author Eamon Loingsigh's *Auld Irishtown* trilogy, which delves into the stories and lore of the gangs and families growing up in this under-documented area of Brooklyn's Irish underworld.
