Nicholas J. Saunders

The Poppy: A History of Conflict, Loss, Remembrance, and Redemption Nicholas J. Saunders

In the aftermath of the horrific trench warfare of the First World War, the poppy — sprouting across the killing fields of France and Belgium, then immortalized in John McCrae's moving poem — became a worldwide icon. Yet the poppy has a longer history: as the tell-tale sign of human cultivation of the land, of the ravages of war, and of the desire to escape the earthly realm through Romantic opium dreams or the grim reality of morphine drips. This is a story spanning 3,000 summers, from the Ancient Egyptian fights over prized medicinal potions to the addicted veterans turning home from the American Civil War, from the British political machinations during the Opium Wars with China to the struggle to end Afghanistan's tribal narcotics trade. Through it all, there is the transformative poppy.

Now, Nicholas J. Saunders shares the definitive history of this ever-enduring symbolic flower.
