Ark of God: The Incredible Power of the Ark of the Covenant

David Hatcher Childress

Ark of God: The Incredible Power of the Ark of the Covenant David Hatcher Childress

David Childress, popular author and star of the History Channel's show *Ancient Aliens*, takes us on an incredible journey in search of the truth about (and science behind) the fantastic Biblical artifact known as the Ark of the Covenant. This object made by Moses at Mount Sinai—part wooden-metal box and part golden statue—had the power to create “lightning” to kill people, and also to fly and lead people through the wilderness. Featured in such popular movies as *Raiders of the Lost Ark* by Lucas and Spielberg, the Ark of the Covenant is probably the most mysterious object in the Old Testament—what was it? Was it an ancient electrical device? The Ark of the Covenant suddenly disappears from the Bible record and what happened to it is not mentioned. Was it hidden in the underground passages of King Solomon's temple and later discovered by the Knights Templar? Was it taken through Egypt to Ethiopia as many Coptic Christians believe? Childress looks into hidden history, astonishing ancient technology, and a 3,000-year-old mystery that continues to fascinate millions of people today.

Joshua Yoshida:

As a college student exactly feel bored to reading. If their teacher requested them to go to the library in order to make summary for some book, they are complained. Just tiny students that has reading's heart and soul or real their hobby. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that studying is not important, boring and also can't see colorful images on there. Yeah, it is being complicated. Book is very important in your case. As we know

that on this period of time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this Ark of God: The Incredible Power of the Ark of the Covenant can make you feel more interested to read.
