Charles Taliaferro

Dialogues about God (New Dialogues in Philosophy) Charles Taliaferro

One in the series New Dialogues in Philosophy, edited by Dale Jacquette, Charles Taliaferro, a leading philosopher of religion, presents several fictional dialogues among characters with contrasting views on the existence of God. The views express the many standard positions: theism, atheism, skepticism, and other nuanced arguments about the nature of God. In a series of five inspired, original debates, Taliaferro taps into several famous exchanges, including those among Antony Flew, Basil Mitchell and R. M. Hare; between Frederick Copleston and Bertrand Russell; and between Copleston and A. J. Ayer. The book includes a set of observations about the nature and conduct of debate: providing charitable interpretations of opposing sides and allowing interlocutors time to develop their points. Series Editor: Professor Dale Jacquette, Senior Professorial Chair in Theoretical Philosophy, University of Bern, Switzerland
