**Historia de la cultura cristiana (Conmemorativa 70 Aniversario Fce) (Spanish Edition)** Christopher Dawson

Ésta es una investigación que intenta sacar a la luz los antecedentes socioculturales de la civilización occidental moderna. En efecto, al analizar sus antecedentes histórico-religiosos, elementos formativos, instituciones religiosas y sociopolíticas, creaciones intelectuales y artísticas, así como sus crisis espirituales y conflictos sociales, el autor logra discernir la clave para entender los periodos subsiguientes de la historia de Occidente, particularmente la Era Moderna, con sus evidentes logros ideológicos y científicos y sus lamentables vacíos espirituales y morales.
