## L'Alsace française de 1789 à 1870 (French Edition) Georges Weill, Ligaran

Extrait : "L'Alsace en 1789 était mi-française, mi-allemande. Celui qui la visitait rapidement la jugeait plus allemande que française ; le voyageur anglais Arthur Young, par exemple, eut cette impression quand il traversa le pays en juillet 1789. La grande masse des paysans ne parlait que le dialecte alsacien ; elle comprenait souvent l'allemand, presque jamais le français."
