Like an unstoppable force of nature, private detective John Shaft is back with a vengeance. Ernest Tidyman's iconic detective returns in the first original Shaft novel in more than forty years, and he's as bad as ever. When the Godfather of crime in Harlem reaches out to Shaft for a favor, the hardboiled detective finds himself caught in a web of violence and murder. No one is safe as the bullets start to fly and the bodies start to drop, leaving Shaft with only two options: kill or be killed.

From the writer of the award-winning graphic novel *Shaft: A Complicated Man*, comes the critically acclaimed return of the black private dick that's a sex machine with all the chicks. It's a two-fisted tale of revenge as Shaft cuts a bloody path through city, settling old scores and faces the demons of his past.

Author Quotes:

"Writing the first Shaft book in forty years has been not only an honor and a privilege, it has been a dream come true."

"Ernest Tidyman created one of the most iconic and enduring pop culture characters in John Shaft, a legacy that has reached across multiple mediums, and sparked the imagination of millions of people, myself included."

"My goal in writing Shaft's Revenge was to craft a hard-boiled work of pulp fiction that would honor the character created by Ernest Tidyman, as well as introduce him to new fans."

"For those that are already familiar with the exploits of John Shaft, I hope this new book is like a reunion with an old friend."
