The White Lie

Andrea Gillies

The White Lie Andrea Gillies

“One hot summer day, Michael Salter, nineteen-year-old scion of a posh Highland family, disappears. When his childlike aunt claims she drowned him during a fight, the family close ranks. No police. No memorial service. No titbits for village gossips. A decade of deceit begins.” — *Financial Times*

The Salter family orbits around Peattie House, their crumbling Scottish highlands estate filled with threadbare furniture, patrician memories, and all their inevitable secrets. While gathered to celebrate grandmother's seventieth birthday, someone breaks the silence. The web begins to unravel. But what is the white lie? How many others are built upon it? How many lives have been shaped by its shadow? Only one person knows the whole truth. From beyond the grave, Michael loops back into the past until we see, beyond perception and memory, how deeply our decisions resound, and just what is the place—and price—of grandeur.
