1874 : Historia de la revolución olvidada (Spanish Edition) Omar López Mato

1874 es un hito de nuestra historia al que se le ha querido echar un manto de olvido luego de que el general Mitre se convirtiera en el árbitro indiscutido de la política nacional y de las instituciones democráticas. Este suceso, resultado de las violentas luchas electorales entre los partidos Nacionalistas y Autonomistas y sus mutuas acusaciones de fraude, contó con la participación de Mitre, Sarmiento, Avellaneda, Alsina, Roca y hasta el abuelo de Borges, quien comienza peleando por las fuerzas leales al gobierno para cambiarse de bando y morir luchando por la revolución.
