Decorate Workshop: Design and Style Your Space in 8 Creative Steps Holly Becker

In *Decorate Workshop*, Holly Becker shares all of the design secrets that have made her one of the most beloved bloggers and stylists today. A companion to the international bestseller *Decorate*, this interactive guide takes readers step by step through her unique eight-step process. She shares her personal design philosophy and explains how to carry a vision into a finished room, from the early paint swatches to the final accents. Readers will learn how to identify their style, create mood boards, outline a schedule and budget, source materials, and start decorating! Filled with expert tips, important checklists, blank space for making lists and plans, and 250 photographs of gorgeous interiors, this is an essential planner for home decorators, whatever their budget.

From reader reviews:

Patrick Stokes:

As people who live in the actual modest era should be upgrade about what going on or data even knowledge to make these keep up with the era and that is always change and progress. Some of you maybe can update themselves by reading through books. It is a good choice in your case but the problems coming to you is you don't know what one you should start with. This Decorate Workshop: Design and Style Your Space in 8 Creative Steps is our recommendation so you keep up with the world. Why, because book serves what you want and want in this era.

Maria Trussell:

Nowadays reading books become more and more than want or need but also become a life style. This reading behavior give you lot of advantages. The advantages you got of course the knowledge the rest of the information inside the book in which improve your knowledge and information. The data you get based on what kind of book you read, if you want attract knowledge just go with education books but if you want feel happy read one having theme for entertaining like comic or novel. The Decorate Workshop: Design and Style Your Space in 8 Creative Steps is kind of guide which is giving the reader unforeseen experience.

Rosa Milliken:

Why? Because this Decorate Workshop: Design and Style Your Space in 8 Creative Steps is an unordinary book that the inside of the publication waiting for you to snap this but latter it will jolt you with the secret the idea inside. Reading this book alongside it was fantastic author who write the book in such remarkable way makes the content interior easier to understand, entertaining way but still convey the meaning completely. So , it is good for you for not hesitating having this ever again or you going to regret it. This excellent book will give you a lot of positive aspects than the other book possess such as help improving your talent and your critical thinking technique. So , still want to hesitate having that book? If I had been you I will go to the book store hurriedly.

Douglas Gibson:

As we know that book is significant thing to add our know-how for everything. By a book we can know everything we really wish for. A book is a list of written, printed, illustrated or perhaps blank sheet. Every year ended up being exactly added. This publication Decorate Workshop: Design and Style Your Space in 8 Creative Steps was filled regarding science. Spend your time to add your knowledge about your research competence. Some people has different feel when they reading the book. If you know how big benefit from a book, you can experience enjoy to read a book. In the modern era like today, many ways to get book that you wanted.
