Go! Go! Go! Stop! Charise Mericle Harper

One day Little Green rolls into town and says his first word: "Go!" The town is building a bridge, and now everyone has a job to do, from dump truck to forklift. Little Green helps them do their jobs with gusto. Until . . . there is a little too much gusto. They can go, go, go . . . but how will they stop?

This bright, fun book with a bold package captures the endless energy of little boys and the timeless appeal of trucks and machines--both for building and knocking down. Plus, it has an underlying message about working together to get things done.
