Great Plague and Fire - London in Crisis (Turning points in history) Richard Tames

Designed to tie in with the National Curriculum, this study of London at the time of the Great Plague and the Fire is one of a series examining major historical watersheds. The book recounts the chain of events leading up to the Great Plague and the Fire, and the repercussions, both immediate and long-term. It also discusses the concept of an historical turning point, assessing in what way this really was one. Interpretations throughout aim to show how history is informed by a complicated web of divergent views.
