Scotland and its Whiskies: The Great Whiskies, the Distilleries and Their Landscapes

Michael Jackson

Scotland and its Whiskies: The Great Whiskies, the Distilleries and Their Landscapes Michael Jackson
In his *Malt Whisky Companion*, Michael Jackson—past winner of The Glenfiddich Trophy and no fewer than five Glenfiddich Awards—was the first writer to describe in detail the aromas and flavors of Scotland's most famous product. Now he goes even deeper into the world of whisky, discussing the terroir that shapes the taste of this classic liquor. Jackson's passion for Scotland and its whiskies comes through clearly and deliciously, and photographer Harry Cory Wright (*Strand: The Shifting Sands of the Outer Hebrides*) beautifully captures the landscape's magnificent colors and textures. Whether studying the ancient forms of barley in the Orkneys, drinking tea with peat-cutters while a storm brews over Islay, or preferring the finished product by the shore at sundown, they bring a personal understanding to the magic of malt.
