El gran frío (Nuevos Tiempos nº 2) (Spanish Edition) Rosa Ribas

Febrero de 1956. El invierno está siendo terrible, el más frío en España desde hace décadas. Esto no será un obstáculo para que Ana Martí, ahora reportera de un popular semanario de sucesos, acuda a un remoto y aislado pueblecito del Maestrazgo aragonés para cubrir el caso de una niña a la que han brotado los estigmas de la Pasión. El cura y el alcalde la reciben encantados ante la idea de que su “santita” se haga famosa en todo el país. Pero ni don Julián, el escéptico cacique del pueblo, ni la mayoría de los habitantes comparten sus simpatías hacia la forastera. Solo Mauricio, un pobre chico discapacitado, la inteligente y extraña niña Eugenia y la atormentada viuda que hospeda a Ana parecen dispuestos a hablar con ella. Pronto su olfato de periodista le dice que el caso de Isabelita no es el único suceso extraño que acontece en Las Torres... El recuerdo de una niña muerta años atrás en misteriosas circunstancias, el fanatismo religioso y el frío glacial y la nieve que amenazan con dejar al pueblo incomunicado son el telón de fondo de la intriga de El gran frío, un impactante thriller sobre los más bajos instintos de la condición humana que es a la vez un extraordinario retrato de la cruda realidad de la España rural en los años cincuenta.
