The Man with the Golden Arm

Nelson Algren

The Man with the Golden Arm Nelson Algren

A novel of rare genius, *The Man with the Golden Arm* describes the dissolution of a card-dealing WWII veteran named Frankie Machine, caught in the act of slowly cutting his own heart into wafer-thin slices. For Frankie, a murder committed may be the least of his problems.

The literary critic Malcolm Cowley called *The Man with the Golden Arm* "Algren's defense of the individual," while Carl Sandburg wrote of its "strange midnight dignity." A literary tour de force, here is a novel unlike any other, one in which drug addiction, poverty, and human failure somehow suggest a defense of human dignity and a reason for hope.
