## **Beauty and the Streets** Kim K.

Young Khye was always spoiled and told that her beauty would get her far. However, no one told her that beauty without brains would lead to a dead end. Khye and her family moved to Harlem from London when she was nine. She figured out quickly that her accent garnered attention. A decade later, her now exaggerated accent grabs the attention of many men. But Khye only has eyes for Floyd, a pretty boy making a name for himself in the music industry. When Floyd is murdered in the recording studio, Khye begins investigating. Secrets about who he really was and how he really earned his living begin to surface, and Khye is determined to pick up right where he left off.
